OBES SEA, SAND, AND STARS SUMMER 2019 SUMMER PROPOSAL

OBES is hoping to open the Steven W. Baker Sea, Sand, and Stars Science and Nature Center again this summer season in collaborative partnership with the City of Orange Beach. This will be the fourth consecutive summer for Sea, Sand, and Stars to be open to the public. Please review the plan and tentative schedule below:

ALL schools are closed throughout the school district on Friday during the summer so we will continue to follow that schedule

1) SSS Mondays-Thursdays

2) 9AM-2PM (peak times in summer)

3) Dates of operation as follows: (Monday-Thursday)

6/3/19-6/6/19

6/10/19-6/13/19

6/17/19-6/20/19

6/24/19-6/27/19

7/8/19-7/11/19

7/15/19-7/18/19

7/22/19-7/25/19

4) Current certificated OBES staff will work the designated hours, due to training and use of sophisticated, valuable equipment. Work hours for staff will be 8:30AM-2:30PM, including set up and break down for the day.

5) Pay-Rate for Mayor and City Council review due to funding being graciously provided: \$36 per hour, which is the rate paid in previous years. There will be 3 teachers per shift as in previous summers due to the size of the facility, and all entities and operations therein. Therefore, at the \$36 per hour rate that has been paid in previous years and including benefits, etc., the total for salaries is \$18,144.00. Thank you for your consideration and for your continued support of Orange Beach Elementary School, and of Sea, Sand, and Stars.

Mr. Moss
Principal
Orange Beach Elementary School
